Dear Author,

Congratulations! On behalf of the Program Committee of ICIDA 2023, we are happy to inform you that your above-mentioned paper has been ACCEPTED for oral presentation in ICIDA 2023 and publication in Springer LNNS series subject to fulfilment of Guidelines by Springer. An accepted paper will be published in the Springer proceedings (LNNS) only if the final version is accompanied by the payment information (i.e transaction reference number/receipt) and subject to quality check as per Springer Guidelines.

Kindly follow the below mentioned guidelines (strictly), related to preparation of final manuscript, copyright transfer form, payment and final submission. The procedure has been detailed as a five-step process (I)-(V):

(I) Preparation of CRC (Final Manuscript for Inclusion in Springer Proceedings Book-.LNNS Series), You are requested to give a strict attention to the below mentioned points during preparation of final manuscript to avoid any last minute revert backs from the publisher (Springer).

(a) Please format your paper on the Springer template downloading from our conference website: <http://icida.ikrf.in/downloads.php>

(b) Authors should not mention designation etc. in the name and affiliation part below the paper title. You are requested to mention only the name, college/organization name, city name and mail ids of all the authors. However, they may mention acknowledgement if necessary (at the end of the paper-prior to references). Kindly mention the full name of your institution and city name.

(c) Authors should not give any photo and biography at the end of the paper.

(d) Please address the comments raised by the reviewer(s) as far as practicable. The responsibility lies with the author to incorporate these comments in preparation of your final Camera-Ready Copy (CRC) for submission. However, it is worth noting that your paper will not be reviewed again and the submitted CRC (after payment) will be directed to Springer for publication.

(e) In case there is any content matching issue which is communicated to you by review comments, kindly see that you rewrite the paper to avoid any plagiarism issue in future.
